**FOSDEM 2025****Your proposal: From Critique To Chaos - A Masterclass In Terrible Feedback Practices**

Hi!

Thank you for submitting a proposal to speak at FOSDEM 2025.

We received many more proposals than would fit into the schedule this year and unfortunately we have not chosen your proposal:

From Critique To Chaos - A Masterclass In Terrible Feedback Practices

We hope you are not too disappointed and hope still to meet you at the event.
