**FOSDEM 2025****Your proposal: Introducing SyncStar - Create Bootable Media At Conference Kiosks**

Hi!

Thank you for submitting a proposal to speak at FOSDEM 2025.

We received many more proposals than would fit into the schedule this year and unfortunately we have not chosen your proposal:

Introducing SyncStar - Create Bootable Media At Conference Kiosks

In case an accepted session is not confirmed we might reach out to you yet.

We hope you are not too disappointed and hope still to meet you at the event.

The Distributions organisers
