CMS with **NetlifyCMS**

Revamp and update ***Websites***

Keep up
With Fedora 37 and Beta
Site updates while
Revamping them all

Onboard/retain the ***Contributors***

Influx of
Members in frontend,
backend, design,
infrastructure and
project management

Represent within ***Community***

Gave plug in
Fedora Release Parties
Nest With Fedora
Fedora Hatch Pune India

Fedora Websites and Apps

Websites 3.0 Updates

The team is now working on redesigning and redeveloping the websites from the ground-up with the state-of-the-art practices and technologies.

Let us see what we have been up to.

Time to cue in the video
