# Fedora Websites and Apps Team

Community Survey Report 2022

Presented by

**Akashdeep Dhar**
Objective Lead, Fedora Websites and Apps Revamp Objective
Software Engineer, Red Hat CPE

# Responses acquired

Complete responses **9**

Incomplete responses **13**

Total responses **22**

The number of responses acquired is representative of the amount of involvement the community has had with the team as well as with the survey itself.

# Folks who contribute to the team

These statistics would help us determine how easy or difficult it is to participate in the team, and understand what needs to be done to ensure that there are more participants down the line.

**60%**
participate and say that it is easy to contribute to the team

**40%**
participate but say that it is not easy to contribute to the team

Yes
22.7%

No
22.7%

No answer
54.5%
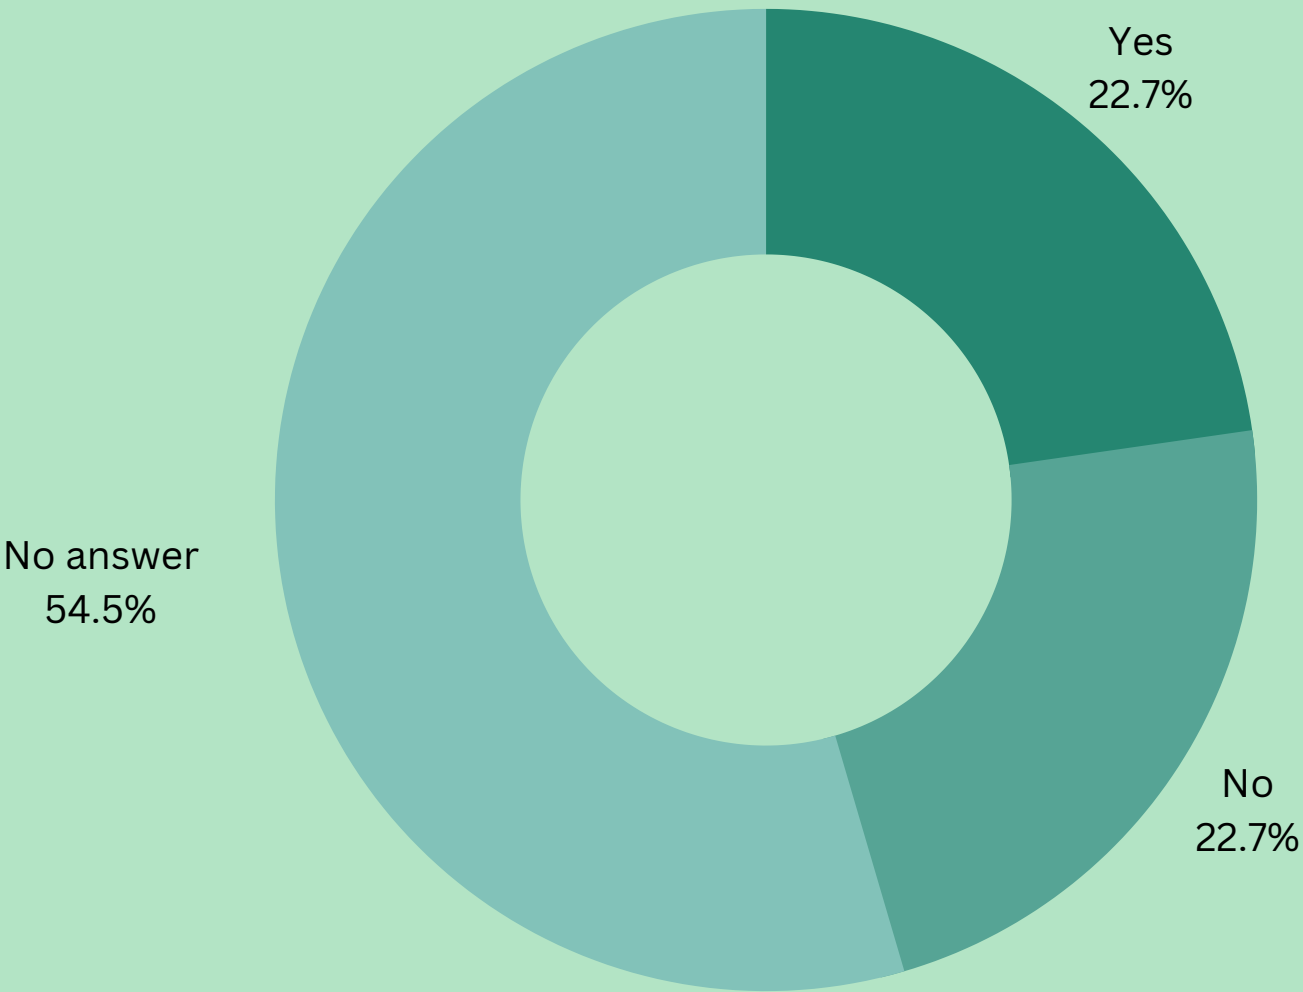

**60%**
do not participate as they are not sure where to start from within the team

**20%**
do not participate because there are no big fixes to speak of, that came along

**20%**
do not participate because there are too many interesting project to be part of

# What do people say about the team?

The question goes beyond usual objective-based answering to ask if there is anything else that the survey takers would want to share with the team.

> I AM MORE EXPERIENCED WITH REACT, BUT I HAVE VUE EXPERIENCE AS WELL, AND I WOULD BE GLAD TO HELP ON THE WEBSITES PROJECT, SINCE I AM A FEDORA USER AND WANT TO SEE THE PROJECT THRIVE.

> YOU ARE DOING GREAT WORK AND YOUR OPEN COMMUNICATION STYLE IS SO GREAT. IF ONLY THE PACKAGING TEAM HAD THE SAME TRANSPARENCY!
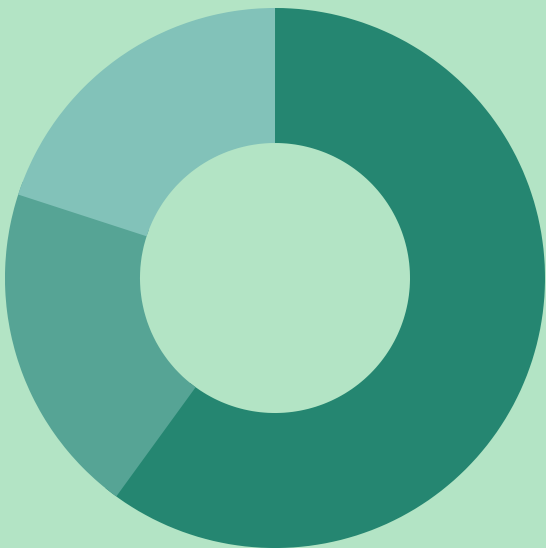

# Reception of the team's engineering efforts

## 1 of 2

How well the community has received the technical and engineering bound work put forth by the team.

Reimagined and Revamped Meetbot Logs Application

**92.00% approval**

3 x 10s, 1 x 9s, 1 x 7s
*22 total / 5 confirmed / 17 unattempted*

Live preview generation of websites using CI pipeline

**85.00% approval**

3 x 10s, 1 x 9s, 1 x 7s, 1 x 5s
*22 total / 6 confirmed / 16 unattempted*

One script build everything approach for the websites

**81.67% approval**

2 x 10s, 1 x 9s, 1 x 8s, 1 x 7s, 1 x 5s
*22 total / 6 confirmed / 16 unattempted*

# Reception of the team's engineering efforts

## 2 of 2

How well the community has received the technical and engineering bound work put forth by the team.

The all-new Fedora Websites 3.0 revamp efforts

**90.00%** approval

3 x 10s, 1 x 9s, 1 x 8s., 1 x 7s
*22 total / 6 confirmed / 16 unattempted*

Collaboration with Fedora Design and Fedora Infra

**92.86%** approval

4 x 10s, 1 x 9s, 2 x 7s
*22 total / 7 confirmed / 15 unattempted*

Conversations and updates on Fedora Discussions

**78.34%** approval

3 x 10s, 2 x 7s, 1 x 3s
*22 total / 6 confirmed / 16 unattempted*

# Field of contribution that folks are the most interested in

These statistics would help us determine what fields of contribution the community finds interesting and would potentially want to contribute to within the Fedora Websites and Apps Team.

**Frontend** 40%
**Translation** 20%
**Testing** 20%
**Design** 10%
**Other** 10%

**Documentation** is one of the fields which unfortunately does not interest any contributor

**10%** of the interested contributors wish to help the fields of infrastructure and bug fixing

**10 responses** counted towards the above statistics while 12 people decided not to respond

# What else did the team do that you are very satisfied with?

The question goes beyond usual objective-based answering to ask if there is anything else that the survey takers would want to share with the team.

ENGAGING WITH THE EDITIONS WORKING GROUPS AND HANDLING EXPECTATIONS FOR THE COMPLEXITIES NECESSARY FOR EXCELLENT PR

**4.55%**
or just 1 survey taker responded to this question of a total of 22 survey takers

**36.36%**
or 8 survey takers decided not to respond to this question when presented to them

**59.09%**
or 13 survey takers did not even reach until this question to be able to answer it

# Reception of the Council Objective's progress

## 1 of 2

How well the community has received the council objective related efforts put forth by the team.

Overall communication with the greater community

**84.00%** approval

2 x 10s, 1 x 9s, 1 x 8s, 1 x 5s
*22 total / 5 confirmed / 17 unattempted*

Reworked documentation for contributing to the team

**80.00%** approval

2 x 10s, 1 x 8s, 1 x 7s, 1 x 5s
*22 total / 5 confirmed / 17 unattempted*

Active participation in mentored project programmes

**96.00%** approval

3 x 10s, 2 x 9s
*22 total / 5 confirmed / 17 unattempted*

# Reception of the Council Objective's progress

## 2 of 2

How well the community has received the council objective related efforts put forth by the team.

Efforts to setup banners for community promotions

**90.00%** approval

2 x 10s, 1 x 9s, 1 x 7s
*22 total / 4 confirmed / 18 unattempted*

Frequent workshops during community events
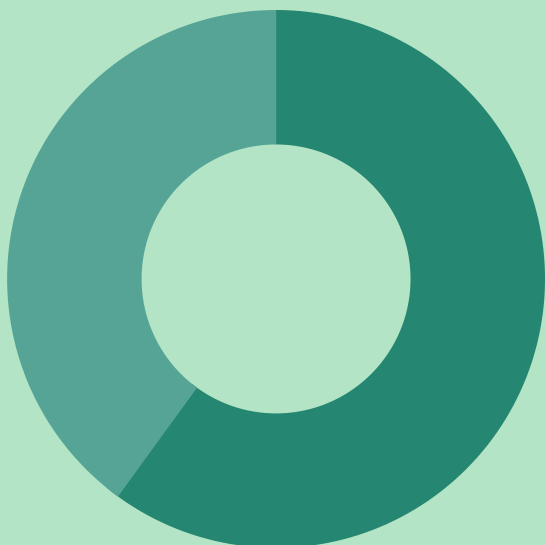

**85.00%** approval

**1** x 10s, 1 x 9s, 1 x 8s, 1 x 7s
*22 total / 4 confirmed / 18 unattempted*

Objective updates in Fedora Nest and Release Parties
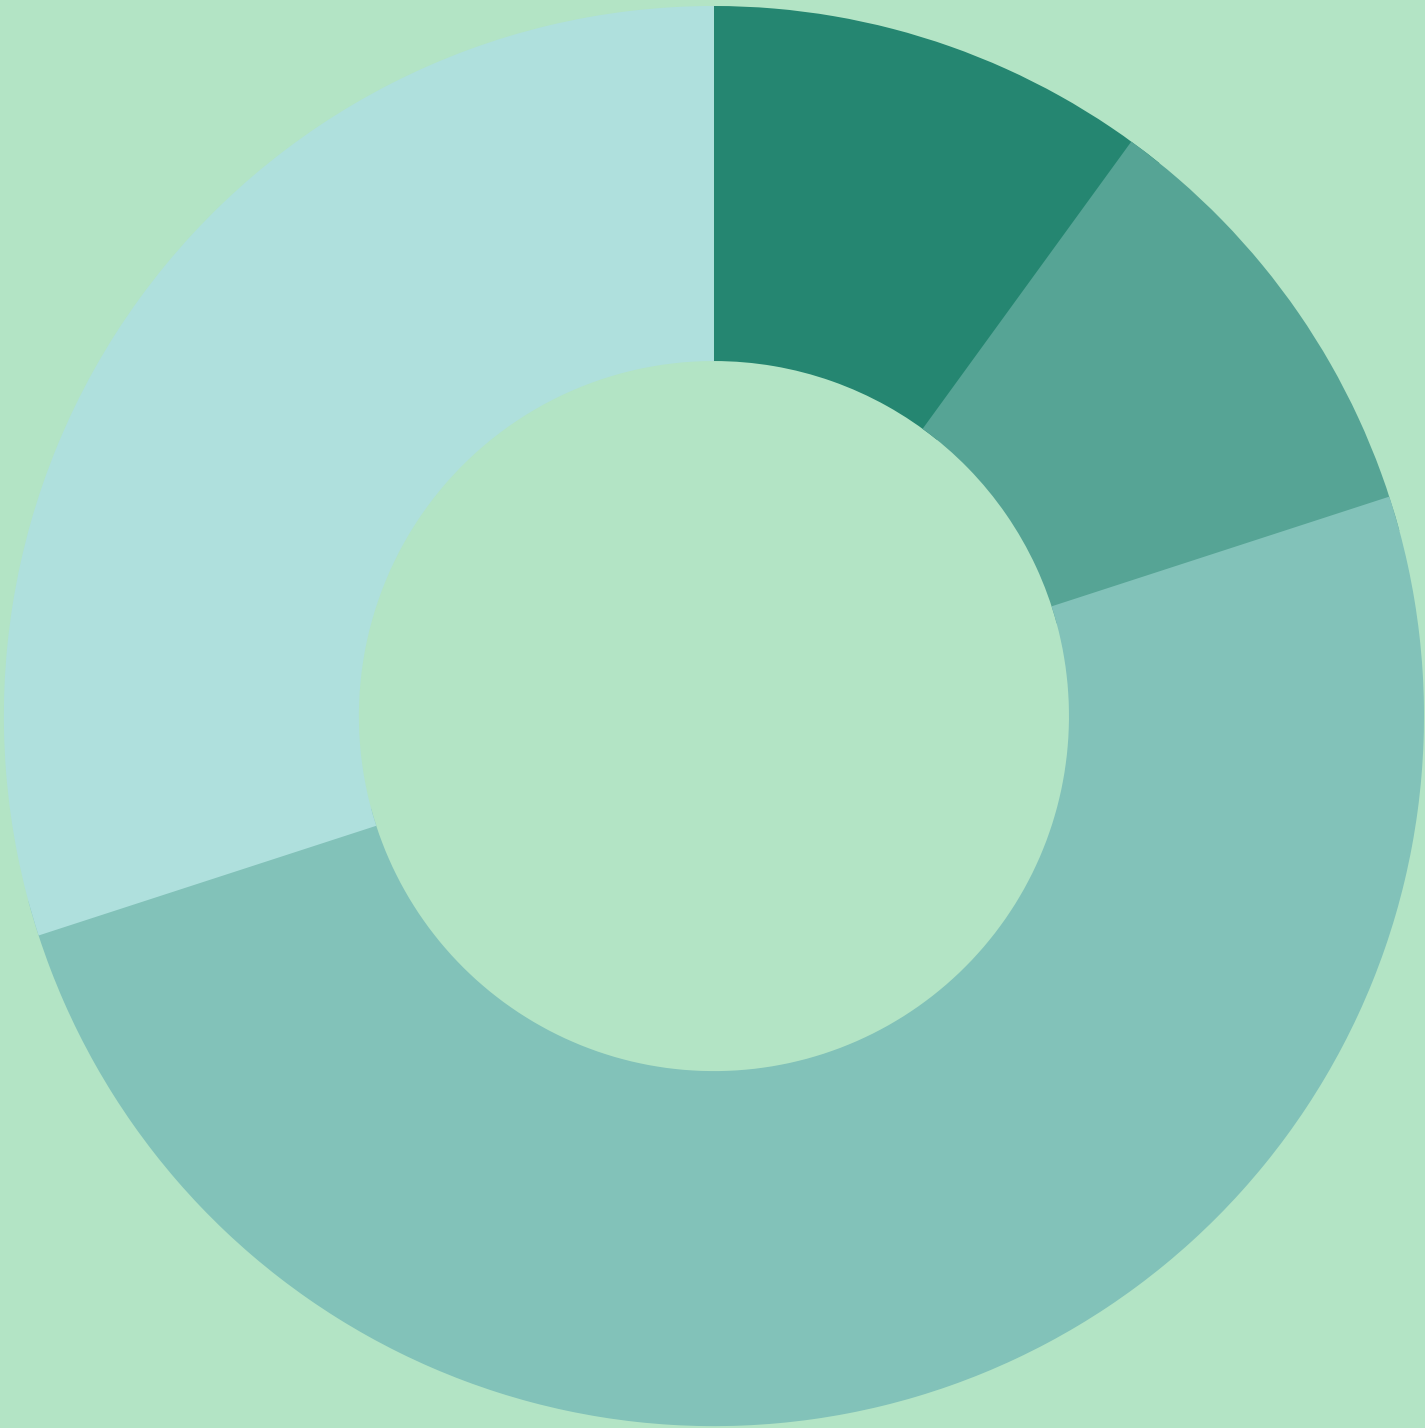

**96.00%** approval

3 x 10s, 2 x 9s
*22 total / 5 confirmed / 17 unattempted*

# Familiarity of the team within the greater community

How familiar are the community members with the kind of work the team has been doing?

**Fully aware** 30%
**Mostly aware** 0%
**Moderately aware** 50%
**Little aware** 10%
**Not aware** 10%

**10%**
of the survey takers are not aware of the work we have been doing in the team

**50%**
of the survey takers are moderately aware of the projects we undertake

**10 responses**
counted towards the above statistics while 12 people decided not to respond

# Frequency of sharing the team updates

The question goes beyond usual objective-based answering to ask if there is anything else that the survey takers would want to share with the team.

During Fedora Linux Release Parties is enough
## 33.34% approval
2 survey takers

During Nest With Fedora is enough
## 0% approval
0 survey takers

During Fedora Linux Release Parties and Nest With Fedora
## 66.67% approval
4 survey takers

More frequent sharing of updates on Community Blog
## 0% approval
0 survey takers

# Reception of the Mindshare Representation of the team

## 2 of 2

How well the community has received the Mindshare representation related efforts put forth.

Awareness about the committee and representative

**66.67%** approval

6 x Yes, 3 x No
*22 total / 9 confirmed / 13 unattempted*

Desire to have more fun collaborative team activities

**80.00%** approval

4 x Yes, 1 x No
*22 total / 5 confirmed / 17 unattempted*

Desire to organize more community workshops

**100.00%** approval

4 x Yes
*22 total / 4 confirmed / 18 unattempted*

# Things that we plan on keeping on

The things about the team that the community appreciated and wants more of.

## ENGINEERING

### #1
Continuing developing and maintaining our web applications

### #2
Keeping up the Fedora Websites 3.0 design and development

### #3
Collaborating with the Fedora Design and Fedora Infra teams

### #4
Maintaining CI pipelines for easing development

## COUNCIL OBJECTIVE

### #1
Participating in more mentorship-related programmes

### #2
Helping with promoting events and surveys as they come

### #3
Providing updates from the team in Fedora Community events

### #4
Coordinating running of various workshops from the team

## MINDSHARE

### #1
Organizing more community-bound workshops

### #2
Running more team-bound collaborating activities

# Things that we plan on improving upon

The things about the team that the community says that we can do better in.

*ENGINEERING*

*COUNCIL OBJECTIVE*

*MINDSHARE*

## #1
Facilitating a better local development environment

## #1
Working towards more active connection with the community

## #1
Communicating more to be a point of contact for assistance

## #2
Posting more elaborate and frequent updates on forums

## #2
Elaborating on the documentation with more topics

# Thank you!
